Equipped with hand-held hose

We divide our TRILO vacuum sweeper range into three categories of loading volumes

We divide our vacuum sweeper range into two categories of working widths

Regular sweep- or cut & collect

1.5 m	1.8 m	2.1 m	2.4 m	3 m
-------	-------	-------	-------	-----

Type name = Application + Load volume

Example: **S** + 10 m³ = **S10**

Wide Area sweep- or cut & collect (+ Wings)

6 m	7 m	8 m
-----	-----	-----

Type name = Application + Load volume + W

Example: **S** + 20 m³ + W = **S20W**
